

## **Second Year PTA Program Requirements**

Spring term of 2013, you will be required to obtain documentation of the following items to begin your program clinical courses. We recommend you immediately begin obtaining documentation of previous immunizations and update immunization requirements.

You may complete these items now. (but they are not required at this time).

**Hepatitis B immunity.** You must provide proof of a series of three (3) Hepatitis B vaccinations OR an Immune Surface Antibody Titer.

**MMR immunity.** You must provide proof of two (2) MMR vaccinations OR Immune Antibody Titers for Measles (Rubeola), Mumps and Rubella (3 total),

**Varicella immunity.** You must provide proof of two (2) Varicella vaccinations OR an Immune Antibody Titer for Varicella.

**Adult TDap immunity.** You must provide proof of one (1) Adult TDap vaccination.

Wait until Spring term 2013 to complete the following documentation requirements. Time lines and specifics for documents will be given to you at that time.

**Tb test**

**Season Influenza – clinical site dependent**

**Physical Examination**

**CPR** – card will be issue upon completion of HE252

**Health Insurance**

**Background Check**

**Drug Testing**

Lane Community College Division of Health Professions requires all students to submit appropriate personal information (such as immunization records, background checks and others) to American Databank, a company specializing in the collection and storage of student health care information. You will receive information on accessing forms and setting up your account Spring term.

Current ADB charges (as of 2012, to be paid by student)

\$40 Immunization Tracking System

\$32 Background Check

\$55 Drug Testing
