

Concerned about your grades?

Wondering what your options are?

Consider attending a *Making Wise Choices* workshop. This workshop will provide you with sound advice to make the best decisions regarding your grading options.

Making Wise Choices covers GPA calculation and the various grading options, including pass/no pass, withdrawals, and incomplete grades. In addition, we will review Financial Aid expectations for Satisfactory Academic Progress (SAP) and you will learn about campus support services that can assist with your academic success. All before **May 20**, the final day to make schedule change for spring term!
